Deputy Minister Tshwete to handover Tuschenkomst Bulk Water Pipeline to Moses Kotane Municipality

25 April 2019

Deputy Minister of the Department of Water and Sanitation (DWS) together with Magalies Water board will handover Tuschenkomst Bulk Water Pipeline to Moses Kotane Local Municipality on Monday, 29 April 2019.

The Tuschenkomst Bulk Water Pipeline project includes the construction of a 16.50 km long bulk supply steel pipeline with 508 mm diameter and booster pumps station between the Tuschenkomst terminal reservoir and the existing AC pipeline to Mabeskraal with connections at Ruighoek (Tlhatlaganyane).

The project also includes a 0.53 km long bulk distribution steel pipeline with 212 mm diameter and the 508 NB pipeline which will increase the level of service and decrease backlogs in the greater Mabeskraal region as well as the Bohule and Tlhatlaganyane clusters and in the medium term also the Motlabe cluster.

The media is invited as follows:

Date : Monday, 29 April 2019

Venue : Ntswana le Metsing Sports Ground (Moses Kotane Local Municipality)

Time : 09:00 – 15:00
